## *Give Me The Mic* Where Highly Paid Speakers Train

### **WELCOME!!!! To the 24<sup>th</sup> Edition of Give Me The Mic**

I want to personally welcome you to this dynamic two- and half-day training.

When I started the Genius Speakers Academy, I really wanted to create a place where speakers could come to get the solutions and strategies, they would need to build a thriving speaker business.

As I built my speaker business, I had found that many trainings were filled with a lot of fluff and puff built around theories and concepts about what it takes to be successful in the industry. It was important to me that our Academy be different. The result, Genius Speakers Academy and events such as this weekend's Give Me The Mic Speaker Training are all about giving you the nuts and bolts to not only prepare you to be a great speaker but to equip you to truly building a thriving speaker business.

The next few days will be filled with information from a variety of industry experts. You will get actionable strategies that you can begin to implement immediately.

So, buckle up for an explosive 3 days!
