

Give Me The Mic Where Highly Paid Speakers Train

WELCOME!!!! To our 25th Edition of Give Me The Mic

I want to personally welcome you to this dynamic two- and half-day training.

When I started the Genius Speakers Academy, I really wanted to create a place where speakers could come to get the solutions, strategies, and solutions, they would need to build a thriving speaker business.

Often trainings are filled with a lot of fluff and puff and built around concepts. It was important to me that our Academy be different. The end result, is the nuts and bolts to not just becoming a speaker but truly building a thriving speaker business.

Over the course of the next few days, we will be taking a deep dive into the strategy that every author, speaker, and consultant can use to DOMINATE THEIR OWN BACKYARD.

This is the first time I have laid out the strategy in such a simple and easy to both execute and replicate format.

So, buckle up for an explosive 3 days!
