Dr. Will Moreland

Dr. Will started speaking after serving in the Army for 8 years and has been speaking professionally for more than 15 years. He is a seasoned businessman, a best-selling author, awarded business coach and consultant to CEO's, C-Level Executives, Athletes and other High Achievers. Named a top Speaker and top 30 global world impactor.

Author of over 40 books and 250 articles, Dr. Will has trained Leaders in over 40 different countries and has spoken at over 1200 events nationally and internationally. He contributes to several magazines each month sharing his wisdom and insights.

Dr. Will has shared the stage with the best speakers in the world, to include Les Brown, Eric Thomas, Lisa Nichols, David Meltzer, Sharon Lechter, Jack Canfield, and many others.

Dr. Will has worked with Fortune 500 Companies such as Boeing, Microsoft, McDonald's, Intel, Edward Jones, Kroger, Target, Petsmart, American Airlines and Caldwell Banker. He has worked with the Phoenix Suns of the NBA, NASCAR and Major League Baseball. Dr. Will has impacted groups as small as 10, and as large as 15,000.

Dr. Will Topics

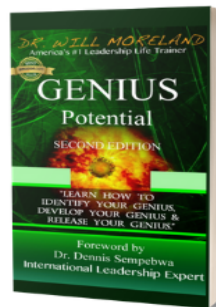

Diversity & Inclusion

In an ever changing world, it's vital for Leaders to grow and expand their capabilities.

Team members must adjust and learn to co-exist with others from different back-grounds. In this Keynote Dr. Will explores and teaches from his travels to over 40 Countries and living in Europe for 15 years.

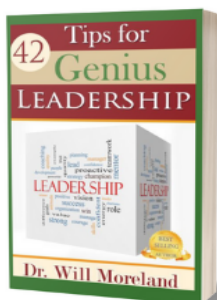

Perfect for: Growing Companies, Sales Teams, Mergers & Acquisitions and International Companies

Company Culture

Dr. Will has worked with Companies in over 40 countries. He has a unique ability to connect with cultures from all back-grounds and teach them how to appreciate, work with and co-exist with individuals from various experiences.

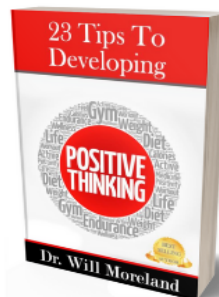

Perfect for: Growing Companies, Executives, Leaders at all levels

Leadership

Built upon his over 20 years of Executive Leadership, Dr. Will teaches Leaders how to become the leader that others want to follow. This keynote will help Leaders become meaningful and impactful Leaders.

Perfect for: Managers, Executives, Team Members and stake holders at all levels.

Motivation

At the root of all success is mindset. In this keynote Dr. Will teaches how to create a positive attitude and how individuals can paint a new picture of common situations that cause most people to become unraveled .

Perfect for: Team Members, Sales Teams, Franchisees, Sports Teams, Financial Teams
